

PB0580 SERIES PARCEL BOX

THE PHOENIX PB0580 SERIES PARCEL BOX is an all-weather outdoor smart parcel deposit box for receiving and securing multiple home delivery parcels. Ideal for busy households.

- **PARCEL BOX** – Never miss a parcel delivery again with an easy to use, medium size parcel box that's able to receive packages up to 320x200x120mm.
- **SMART SYSTEM** – Features a unique barcode that can be scanned or recorded as proof of delivery by the courier, if required.
- **WATER RESISTANCE** – Designed to protect your parcels from all weather conditions with a sloped overhang top and a rust resistant, weather proof powder coating.
- **LOCKING** – Fitted with high quality key lock (3 keys supplied).
- **CONSTRUCTION** – Manufactured from a strong galvanised steel.
- **SPECIAL FEATURES** – Fitted with a built in 'Anti-Fishing' device. Your parcels are locked within the lower compartment, only allowing you to retrieve them with your key.
- **ASSEMBLY** – Supplied Flatpacked for easy self-assembly, which can be built in less than 15 minutes.
- **FIXING** – Designed to be fixed and secured to a wall or to the floor (fixtures & fittings supplied).
- **COLOUR** – Finished in a high quality powder coated black paint.
